

<p style="text-align: center;"><b>WORKSHOP</b> <b>“Introduction in Photoshop”</b></p>
---

If you want to learn how to use PHOTOSHOP to enhance your pictures, this workshop is perfect for you.

**Timing and place:**

Weekly sessions (2hours 30min)

**What to bring:**

- Laptop with charged battery and with Photoshop program (If you do not have a laptop you can use mine)
- Pen to take notes (I provide a notebook)
- Selection of digital photographs that you want to enhance (Make a separate file on your laptop or bring them on a USB)

**Program:**

Learn how to use Bridge to select your pictures.

Learn how to open JPEG images as RAW files.

Learn how to do simple corrections on RAW files.

Create your own workspace.

Learn how to use the different tools and possibilities in JPEG files.

Learn how to save and file your processed pictures.

Learn how to use layers.

...

This is an ongoing process with a lot of side-routes.

Everything you learn, you have to assimilate by implementing it in class on your own pictures and on your own pace.
